

Name:

# Mandala Slice-36 degrees

Class:

Consider the following in your slice design:

- Pattern:** repetition of shapes and lines
- Shapes connecting along the **inner edges** of your slice
- Unique **outer edge** of your mandala
- Unity**-What ties your design together?
- Variety**-What makes your design varied and visually interesting?

\*Tips: Stay away from teeny tiny details & make sure shapes along the inner edge will connect by measuring with a ruler.
